

THE WORLD AFFAIRS COUNCIL OF CONNECTICUT PRESENTS **GLOBAL SECURITY FORUM**

CONNECTICUT IS THE NEW HOME FOR GLOBAL SECURITY

A state with global impact

The Global Security Forum is a leading global summit that brings the world's top experts and leaders to Connecticut to address the most critical global security issues of our time.

At GSF, policymakers meet with students, community leaders pose questions to generals, and business leaders sit down with the world's top experts.

The security of the world demands the highest quality of leadership and the engagement of informed global citizens. Hosted in Connecticut, a leader of the global defense industry.

THE FORUM

Stand-out gathering of leaders, right here in Hartford.

For 10 years, the Global Security Forum has convened some of the world's brightest minds and most influential leaders for cutting-edge conversations about our future.

From cybersecurity and artificial intelligence to nuclear nonproliferation and security in space: these experts bring their unparalleled leadership experience to bear on the most pressing global issues of our time.

GSF is a critical opportunity to engage and inform our future and current leaders on the issues that impact us all.

You're invited to the conversations that shape the future.

THE WORLD'S TOP SECURITY LEADERSHIP. HERE IN HARTFORD.

Meet some of the leaders, experts, and dignitaries who have shared their expertise at the Global Security Forum
